EXPERIENCE OUR PRODUCTS IN FULL 3D.

STEP 1: DOWNLOAD

VIV is available to download for free on the App Store and Google Play Store and works with all iOS and Android devices.

STEP 2: SCAN

Using the **VIV** App, scan the tracker to generate life size **VADO** products in 3D.

STEP 3: EXPERIENCE

Prepare for an enriched digital experience as you bring your favourite **VADO** ranges to life.

THIS TRACKER IS THE
START OF A WHOLE
NEW EXPERIENCE IN
VIRTUAL INSPIRATION

YOU ARE IN SAFE HANDS.

WHY VADO?

We don't compromise on our design or manufacturing – superior quality taps, showers and accessories are our passion. From product design to our seven step hand polishing process, we manufacture our products to last, so whichever range you choose, outstanding quality comes as standard.

VADO products are expertly designed in Cheddar, England, the home of our brand for the last three decades. We are experts in the brassware industry and take a pride in our heritage and values. We ensure only the finest materials are crafted into products that not only look premium, they feel it too.

H2ECO

VADO has a renowned reputation for creating products that deliver the best possible user experience, yet use water sustainably. With **VADO** H2Eco flow regulators you can be assured that you can use less water without hampering your product's performance or design.* Save water in style with **VADO**.

We all aspire to do what we can to help protect the environment. By fitting **VADO** H2Eco flow regulators to your taps and showers, you can help reduce your carbon footprint.

SAVE WATER
SAVE MONEY
SAVE THE
PLANET.

THE PERFECT CHOICE FOR YOUR HOME.

We understand there are a lot of choices to make when searching for your perfect kitchen or bathroom fittings, with an overwhelming amount of confusing information and advice available.

At **VADO** we don't think it needs to be that complicated. We think all you need to know is that when you choose a **VADO** product, you are getting the very best of British design and exceptional quality.

- 15 year guarantee
- Tested to industry leading standards
- Friendly and knowledgeable customer service team
- A product you will love using every day

CHOOSING YOUR SHOWER

This collection of one code thermostatic shower packages allows for easy selection, taking the hassle out of choosing a shower. Our wide range of products offer a variety of functions and features perfectly suited to your needs, including:

- Large choice of contemporary and traditional styles
- Concealed and exposed shower options
- Thermostatic systems for safety and ease of use
- Shower columns for an easy-to-install complete system
- Multi-function handsets to personalise each showering experience
- Large choice of single or multiple outlet products
- Concealed valves include fittings for both 1/2" and 3/4" pipework

All of our products are designed to be compatible with standard shower enclosures and baths and work in conjunction with all household plumbing systems.

THE RIGHT SHOWER FOR YOUR SYSTEM.

In order to choose a showering product that will work at its optimum performance to deliver the experience you expect, simply identify the type of plumbing system that is installed in your home and contact your plumber to check your pressure(s).

SYSTEM 1

If your system is gravity fed, you will typically find a hot water cylinder in the airing cupboard and a cold water tank in the loft.

If you are running this system without a pump you can choose any shower with the **LP** symbol.

SYSTEM 2

Combination boilers, usually located in the kitchen, instantly heat mains fed cold water and therefore do not require storage tanks.

For this system, you can choose any shower with the **MP** symbol.

Shower systems suitable for gravity fed installations can also be used with combination boilers.

SYSTEM 3

If your system is an unvented cylinder, a hot water cylinder will usually be located in the airing cupboard with a pressure vessel on top.

For this system, you can choose any shower with the **HP** symbol.

Shower systems suitable for gravity fed and combi boilers can also be used on a high pressure system.

SYSTEM 4

For this system, a booster pump will draw water from a hot water cylinder in the airing cupboard and a cold water tank in the loft.

For gravity fed systems the booster pump will enhance water pressure.

For this system, you can choose any shower with the **HP** symbol.

1. GRAVITY **LP**

Low Pressure, 0.2 - 0.5 bar

2. COMBI **MP**

Medium Pressure, 1 - 1.5 bar

3. PRESSURISED **HP**

High Pressure, 3.0 bar

4. PUMPED **HP**

High Pressure, 3.0 bar

DON'T JUST TAKE OUR WORD FOR IT.

VADO products are in some of the most prestigious hotel, commercial and residential developments across the world. This cityscape shows a small snapshot of a variety of prestigious projects we have been involved with.

The exceptional quality of our products, outstanding customer service and our agility to support large scale developments makes **VADO** a globally trusted brand.

MAKING YOUR DREAM BATHROOM A REALITY.

STEP 1

Choose from one of our many bathroom brassware collections. We have a wide variety of styles to suit individual tastes.

STEP 2

Find your local stockist. If you don't already know who your local stockist is, visit vado.com/stockists to find your local verified **VADO** independent retailer.

STEP 3

Visit your verified **VADO** independent retailer to discuss all of your bathroom design and installation requirements with a fully trained bathroom adviser.

STEP 4

Reinvigorate yourself and your senses in your beautiful new bathing space.

VERIFIED VADO INDEPENDENT RETAILERS.

We carefully select and train all of our **VADO** independent retailers to ensure you have the best experience when selecting your perfect bathroom.

Our stockists will not only help you to select the right **VADO** taps and showering products to deliver you a great experience day in day out, they will also guide you in choosing the best coordinating sanitaryware and tiling options to create your dream bathroom.

BRASSWARE IS OUR SPECIALITY

At **VADO** we believe in channelling all of our expertise and engineering know-how to focus just on brassware technology to deliver outstanding products that not only look great, but deliver a truly sensory experience.

We work to ensure our product designs are harmonious with all sanitaryware, so when you choose **VADO** your choice of coordinating items is unlimited. With **VADO** you can really **let your inspiration flow.**

SENSORI

SMARTTOUCH

GUARANTEE

All VADO products come with a 2 year guarantee as standard. Within this guarantee period VADO will provide replacement parts and any labour [SEE NOTE 1] needed to complete the product repair.

This standard guarantee may be extended by registering your product to give up to a 15 year guarantee period. Once registered:

Booth and Co. chrome and nickel brassware products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

Brassware products from the Individual by VADO collection have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO chromed brassware and stainless steel products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO Sensori Smart Touch and Smart Dial products have a 5 year guarantee (parts and labour).

VADO Identity and i-tech products have a 5 year guarantee (2 year parts and labour plus 3 years parts only).

All other VADO products have a 3 year guarantee (2 years parts and labour plus 1 year parts only) [SEE NOTE 2].

VADO electric showers have a 2 years parts and labour guarantee.

GUARANTEE CONDITIONS

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

1. The product has been installed, used and maintained (maintenance guidelines can be viewed here) in accordance with VADO's instructions and subjected to normal use only.
2. The defect is not due to use of an unsuitable or inadequate water or power supply.
3. The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.

4. The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team. Registration must be completed within 6 months from date of purchase. Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

[1] Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.

[2] VADO spare parts and shower hoses are under a parts only guarantee.

[3] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled. This guarantee is in addition to and does not affect your statutory rights as a consumer.
