RAW.

INDUSTRIAL.

A specialist in self-expression.
Brushed nickel defines industrial purity.
The foundation to an urban oasis.

Wall Mounted Basin Mixer £550

IND-ELW109L-BRN LP

BRN

Progressive in contemporary design. Brushed nickel echoes architectural brilliance. Its soft, brushed finish accentuates an unrelenting urban charm; unearthing a modish paradigm of manufactured bravura.

Domesticating the exposed aesthetic. Brushed nickel's unique, textured surface expertly complements concrete basins and pared back interiors. Its weathered look and feel reasserts a desirable industrial edge. Turning imperfection into perfection.

GUARANTEE CONDITIONS
Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:
1. The product has been installed, used and maintained (maintenance guidelines can be viewed here) in accordance with VADO's instructions and subjected to normal use only.
2. The defect is not due to use of an unsuitable or inadequate water or power supply.
3. The defect is not due to accident, misuse, neglect or incorrect/ inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.
4. The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team. Registration must be completed within 6 months from date of purchase.

Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

[3] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled.
This guarantee is in addition to and does not affect your statutory rights as a consumer.
